I trust you had a safe and enjoyable flight to Miami. We are pleased to welcome you to Shula's Hotel. You will receive a care package for your arrival, we hope you enjoy.

A reminder to take advantage of all the great opportunities we are providing you at this event—world class coaching and umpiring clinics; great tournament play; masseuse and physical therapists and of course lots of opportunity to meet new friends and enjoy a great Saturday night social with American Idol Carly Smithson and plenty of opportunities for you to sing some karaoke with your friends.
