LETTER OF RECOGNITION

To the Netball America Board of Directors and Members,

The Los Angeles Sparks of the Women's National Basketball Association (WNBA) would like to thank you for being a part of basketball legend Lisa Leslie's final regular-season home game of her illustrious career on September 11, 2009.

During the 12 months of planning prior to the event, we were consistently impressed by the level of professionalism displayed by Netball America. We encounter many organizations during our season and sincerely appreciate your responsiveness in all communications leading up to the event and on game day. The energy and cooperation of the Netball America logistics team ensured all aspects of the showcase ran smoothly and provided our Sparks fans with great entertainment.

The LA Sparks are proud to partner with Netball America to increase awareness of the sport, demonstrate the game to our fans, and promote participation. The sponsorship of the Martin Luther King, Jr. Elementary School attendees at the event aligned perfectly with the Sparks brand – promoting fun, affordability, and a culture of inclusion.

We have recommended Netball America to other WNBA teams because of your level of professionalism, reliability and enthusiasm. Our partnership with Netball America is one that we value, and we look forward to continuing this relationship during the 2010 season.

Sincerely,

A handwritten signature in black ink, appearing to read "Kristin Bernert". The signature is fluid and cursive, with a long horizontal stroke at the end.

Kristin Bernert
President
Los Angeles Sparks
